Did you know?

The law in the UK requires that capacity serving measures used for trade are conformity marked.

Beaumont's CE marked measuring instruments signify that the product complies with essential safety and performance standards set by European Union regulations.

While the UK is no longer part of the EU, CE marking of thimbles under MID 2014/32/EU continues to be recognized by the UK government for use with wine and the prescribed spirits – whisky, gin, vodka, and rum.

mixing glasses

Mixing glasses are a must for any bartender wanting to create the perfect drink, whilst maintaining texture and avoiding dilution.

We offer three styles: the classic long shape and two short thicker glass styles. The stemmed glass allows you to hold the base whilst stirring, thus preventing your hand warming the glass and the tulip offers a larger base to allow liquid to move more freely. All three offer something special to the discerning bartender.

Instructions for use for measured pourers

Prime the pourer by holding a finger over the spout and quickly turning the bottle over. Prime pourer before the first use and after each cleaning. If the pourers are not primed, the first shot may not be measured accurately.

When pouring, turn the bottle in a smooth motion to a 45-60 degree angle. Shot pourers are designed to pour fast.

“Order” means any request or order (via phone, web order (excluding eBay or Amazon) or mail order) to purchase the Goods, and;

the “Parties” refers to the Customer and Beaumont.

1. Validity

1.1 This Agreement is the only form of contract between the Parties and any Customer terms and conditions will not apply unless expressly agreed in writing. The Customer agrees to apply the terms and conditions of this Agreement in priority over any other agreement between the Parties.

1.2 Any Order is subject to acceptance by Beaumont. Beaumont is not obliged to accept any Order or to justify refusal of the same. Receipt of payment for Goods by Beaumont does not in itself constitute acceptance by Beaumont of the Order.

1.3 No variations to this Agreement will apply unless expressly agreed by the Parties in writing.

2. Goods being Sold

2.1 Descriptions and specifications for the Goods are set out on the Beaumont website at the time of the Order or the Beaumont catalogue from which the Order is placed provided the catalogue is current at the time of the Order.

2.2 Goods ordered in a specific colour, pattern or design are sold subject to stock availability and Beaumont may substitute the Goods with newer items or items of comparable or better quality, alternative colour, pattern or design with the Customer’s approval.

2.3 If any Goods are unavailable or out of stock then Beaumont may cancel the Order in whole or in part and refund any monies paid or, issue a credit note. Alternatively, Beaumont may vary the Order with the Customer’s approval.

2.4 Customers placing Orders for age-restricted goods such as solvents and knives confirm that they are over 18 years of age and that delivery will be accepted by a person over 18 years of age.

3. Terms of Payment and Payment Methods

3.1 The Goods shall be payable at the prices listed on the Beaumont website at the time of the Order or the Beaumont catalogue from which the Order is placed provided the catalogue is current. Beaumont reserves the right to update prices on the Beaumont website or in future Beaumont catalogues from time to time. Occasionally, prices advertised on the Beaumont website may differ from prices advertised in the Beaumont catalogue and Beaumont is under no obligation to honour the price in the website if the Order is placed through the catalogue. A delivery and/or insurance charge may be payable in addition to the price of the Goods. All prices are quoted in British Pound Sterling.

3.2 Unless otherwise stated, all prices quoted exclude Value Added Tax (“VAT”). Any such VAT shall be charged in accordance with the relevant regulations in force at the time of the Order.

3.3 Occasionally an error may cause the price/description published or advertised for Goods to be incorrect, in which case Beaumont shall be under no obligation to honour the incorrect price or Order.

3.4 Payment for Goods and Delivery may be made by debit/credit card (some cards are subject to an administration fee), electronic bank transfer (e.g. FastPay, BACS, CHAPS etc), direct debit, personal/company cheque or cash. Cheques and cash usually require a minimum of 6 working days to clear and the Customer account, order or quote number MUST be referenced with payment. Beaumont reserves the right to withhold or refuse further shipments of Goods until all overdue accounts are settled. Any payments returned unpaid by a bank will be subject to an administration fee of £25.00.

3.5 Payment terms are strictly 30 days from the date of invoice unless paid by direct debit. Beaumont reserves the right to charge interest at 8% above the base lending rate of the Bank of England calculated monthly on late or overdue payments by the Customer.

3.6 All Orders may be subject to further credit or security checks or further security for payment such as the provision of a suitable letter of credit, bank or director guarantee.

3.7 Customer trade credit accounts are provided solely at Beaumont’s discretion and are subject to regular credit and security checks for approval. This may also include sharing Customer payment information with third party agencies for fraud

protection and regulated credit scoring purposes. Beaumont reserves the right to suspend or withdraw credit account facilities at any time.

3.8 Beaumont shall be entitled to deduct from or set off against the price of the Goods/Order any sums that are owed to the Customer under this or any other agreement between the Parties. Exercise by Beaumont of the rights under this clause 3.9 shall be without prejudice to any other rights or remedies available to this Beaumont in this Agreement or in law.

4. Delivery & Retention of Title

4.1 Full delivery prices and options are listed on the Beaumont website or catalogue and subject to change from time to time.

4.2 Standard Delivery and Premium Delivery Orders will be sent for ‘next day delivery’ within the UK mainland subject to an Order (with the relevant delivery charge) being accepted by Beaumont before 8.00pm on a working day (a working day is a day other than weekends and bank/public holidays) and provided no additional security checks are required and the Goods are available. If the Order cannot be delivered ‘next day’ then delivery will usually be completed within 5 days.

4.3 Offshore/Remote deliveries will usually be despatched as soon as possible however the actual delivery time cannot be guaranteed and will vary depending on the delivery location.

4.4 Beaumont will use reasonable endeavours to meet delivery estimates in all cases however Beaumont cannot be held liable for any delay in delivery.

4.5 Risk in the Goods transfers to the Customer at the time of delivery (without prejudice to the obligations of the Customer in Clause 5.3 below).

4.6 Goods delivered are used, stored and installed at the Customer’s own risk and Beaumont will not be liable for any damage, loss or disruption caused by the same. Where installation/disconnection services have been ordered by the Customer, further charges, terms and conditions may apply as communicated by Beaumont to the Customer before delivery.

4.7 All large machinery, refrigeration and flat packed Goods are delivered to the front door of ground floor locations only. The delivery person/driver may at his/her discretion assist with delivering the Goods to a location within the premises nominated by the Customer, at Customer’s sole risk.

4.8 Where delivery is delayed, cancelled or not accepted by the Customer (including due to lack of delivery instructions), Beaumont reserves the right to charge for cancelled deliveries or for storage at 2% of the invoice value for the respective Goods calculated monthly until a successful delivery can be made.

4.9 Title and property in the Goods will only pass to the Customer upon payment in full for the Goods in question, together with all or any other sums owing or due to Beaumont, whether under this Agreement or otherwise.

4.10 The Goods shall be kept in good and substantial condition separate from those of the Customer and third parties and properly stored, protected and insured and clearly marked as being the property of Beaumont, but the Customer shall be free to sell and deliver the goods to a third party in the ordinary course of the Customer's business but the proceeds of sale of the goods shall be held on trust for Beaumont, and those trust monies shall be held separately from the other monies of the Customer.

4.11 Until such time as the title in the Goods passes to the Customer (and provided that the Goods are still in existence and have not been resold) Beaumont shall be entitled at any time to require the Customer to deliver up or return the Goods and if the Customer fails to do so immediately, to enter upon any premises of the Customer or any third party where the goods are stored and repossess the Goods.

4.12 The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of Beaumont but if the Customer does so all monies owing by the Customer to Beaumont shall (without prejudice to any other right or remedy of Beaumont) forthwith become due and payable.

condition and in their original packaging. Goods that have been opened, marked/soiled, damaged or used will only be entitled to a partial refund (not exceeding 60% of the purchase price) after assessment by Beaumont. Goods deemed non-saleable will not be refunded and will only be returned at the Customer's cost. Certain large or bulky items may also be subject to a restocking fee (usually £75). Certain Goods cannot be returned for hygiene reasons. Certain Goods such as knives must be returned in adequate postal packaging for health and safety reasons. Certain last-in-line or special-to-order Goods may also be non-returnable and will be flagged accordingly on the Beaumont website or catalogue. The carriage cost of returns may be refunded in whole or in part to the Customer at Beaumont's discretion.

5.2 Goods are guaranteed against defects in accordance with the terms of the manufacturer's warranty or for 1 year from delivery unless otherwise stated. Goods reported faulty within the specified warranty period may be repaired, exchanged or replaced at Beaumont's discretion. Parts and labour under this warranty are guaranteed in the UK mainland only.

Engineer call-outs and repairs carried out on non-warranty faults or defects may be subject to further charges including where the Customer has missed or is unduly late for an arranged call-out. No Goods will be sold on a 'sale or return' basis without prior written approval by Beaumont. Beaumont may in its reasonable discretion invalidate warranties for any Goods that have been or are suspected to have been altered, tampered with, serviced, repaired or attended to without Beaumont's prior approval.
